OUR AGE

FOREWORD

The 1965-66 San Gorgonian staff has chosen "Our Age" as the theme for this year's book. "Our Age" symbolizes **our** world; the world of cars, steadies, friends, school, and work. School life is a part of our age. As the years pass we will want to look back to this book and see the school life as it was in "Our Age". The staff wishes to represent this school life throughout the book and show the loyalty to Banning High as expressed in our:

ALMA MATER

Hail to our dear old Banning High,
We'll sing your praises to the sky.
We will be loyal to thee ever, Banning High.
When all our high school days are through,
We'll look back to you,
We will be loyal to thee ever, Banning High.

DEDICATION

MR. FORREST ROUNSAVILLE

Mr. Forrest Rounsaville was born in Tusca, Oklahoma, 1929, and graduated from high school at Atoka, Oklahoma in 1947. He attended several colleges on football scholarships. He graduated from Eastern A&M Junior College and then went to Oklahoma Baptist University at Shawnee, Okla., on a basketball scholarship. From there he went to the army, and to Japan. While in the army he went through OCS and came out as a lieutenant. Then, after the army, he went to OSU at Stillwater, Oklahoma. After one semester at OSU he went to Southeastern State and graduated from there. He taught as a coach in Texas and then moved back to Oklahoma University, and received a masters in guidance and counseling. He has been with the Banning Schools for the past four years, and has done a tremendous job counseling our students.

Mr. Rounsaville, we the students of Banning High extend to you our gratitude and wish for you continuing prosperity.

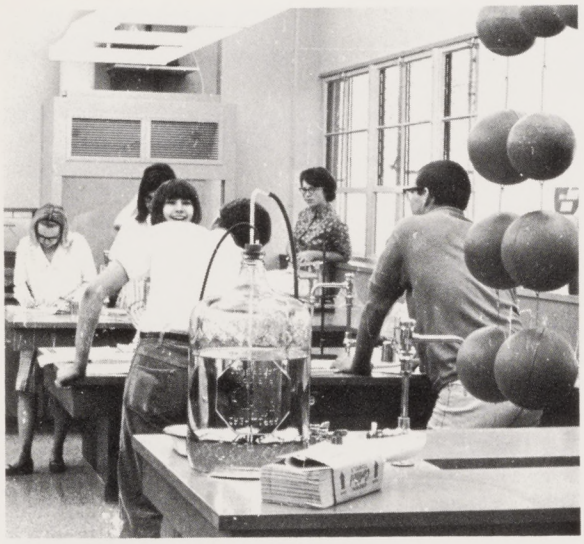
OUR AGE IS . . . .

. . . . SPIRIT

Student attitude is represented by our pepleaders: spirit, enthusiasm, and happiness. We show spirit as we cheer our teams to victory; we show enthusiasm as we strive for our goals; and our happiness comes with our accomplishments in sports, school work, and achievements.

"This moment of silence is brought to you by Zee!"

"Wiped 'em out somthin' fierce!"



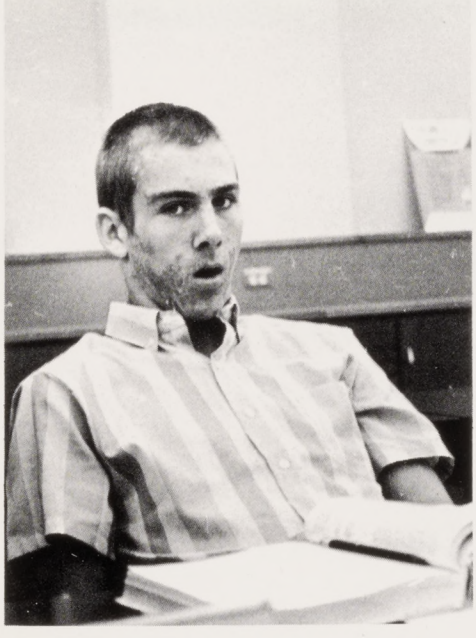
You take 10 ml. of H_2SO_4 + 3 drops of NaOH and . . .

. . . . WORK

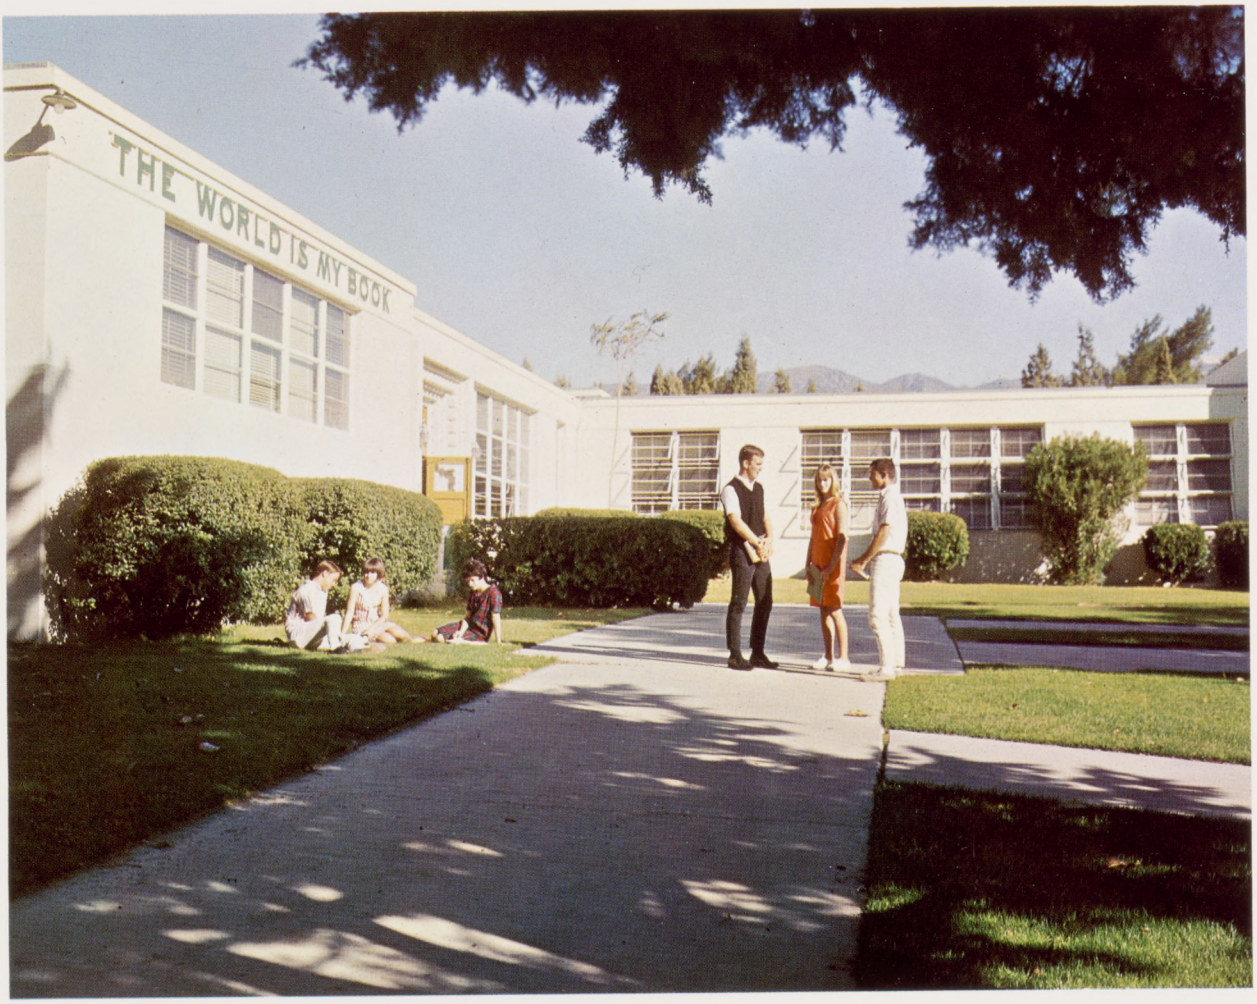
"I didn't think Piglatin II would be this hard."

Jane, you missed a spot, there!

Diana! You've caught it, too!



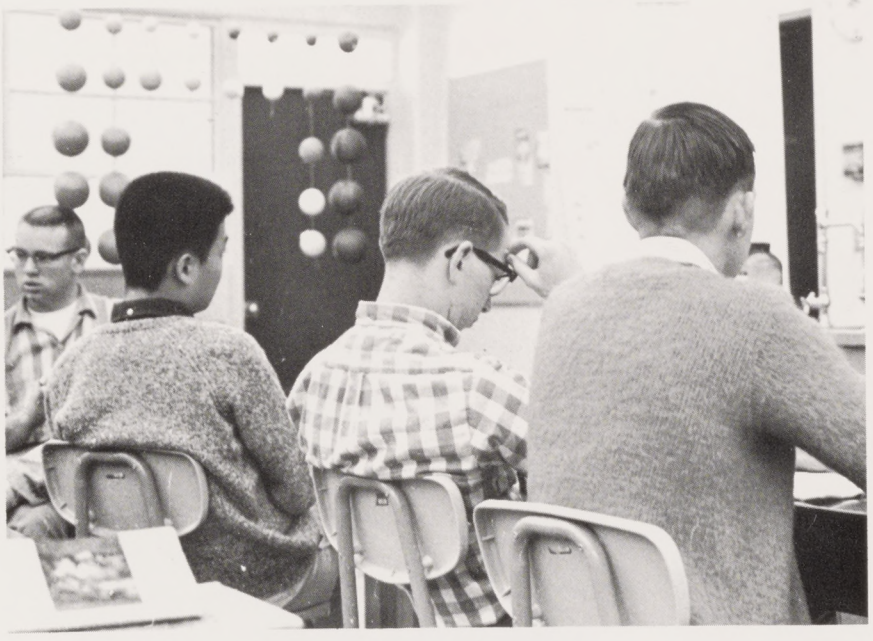
"Hey, you, get off my cloud!"



The library is a symbol of learning. The students of Banning High use the library to complement their school work, increase their reading knowledge, and learn new and interesting facts. Our attitude toward the school library is characterized by the maxim on the east wall, "The World Is My Book."

We are learning how to reed! (Spell, too!)

. . . . STUDY



I don't care if he swims on dry land and makes it there!

"...Keep on dancin'..."

Now this is the way you do it...

"...Fools rush in..."

"...Three dueces and a four speed, & a 389!"

No peekin' now!

Student Parking Lot,
7:59 A.M.

This is togetherness (hmmmmmm!)

"What's new, Pussycat?"

Help! My finger's stuck!

. . . FRIENDS

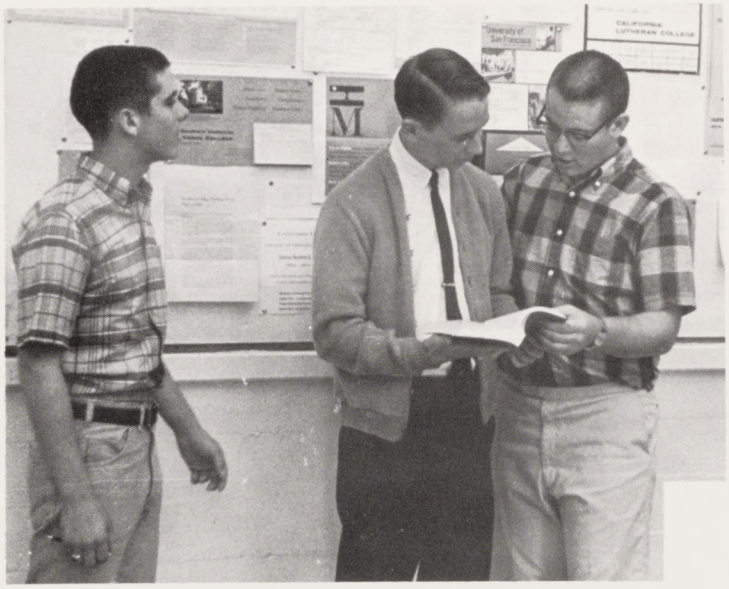
It has been said, "No man is an island." Friends are important parts of our lives. Whether from around the world, across the nation, or from our local Banning, the friends we make now, in high school, will be remembered in years to come. As the saying goes, "to have friends, be one," and we agree with this.

"Uh. . . Does anyone know how to work one of these?"

. . . DOUBT

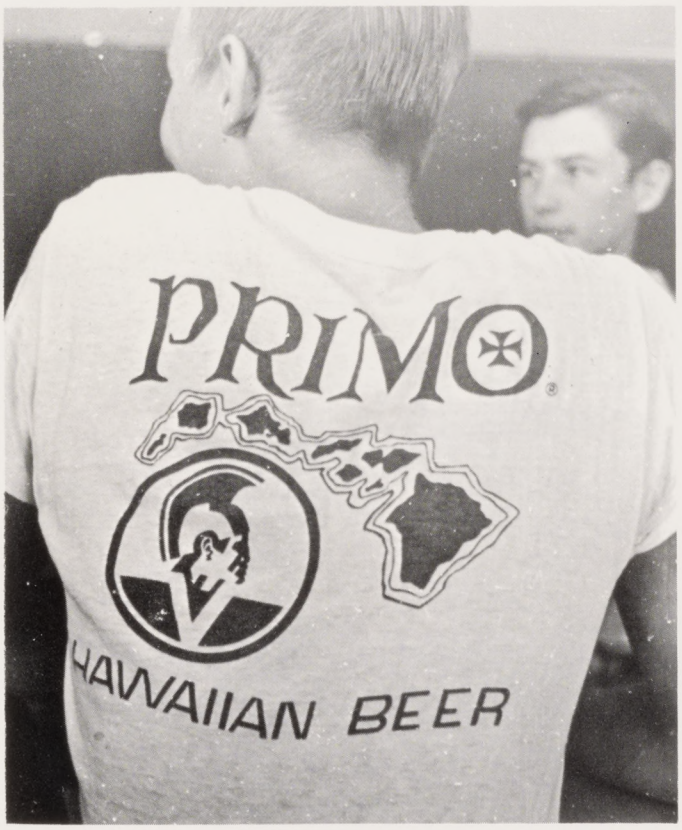
I can't hurry; I'll trip.

"Aw, com'on not in the stickers again. . ."



"First . . . Is it coed?"

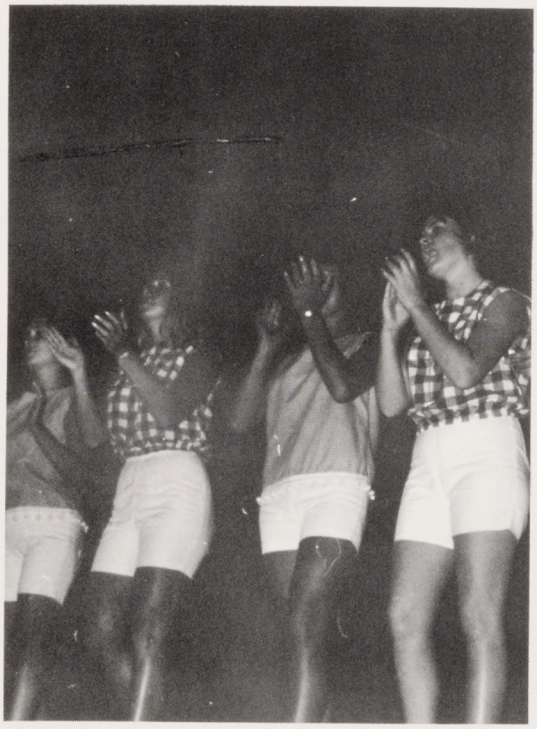
"It couldn't be worse than football practice."



"It's the coconut oil that makes the difference."

. . . . HOPE

As each day at Banning High draws to an end, we hope for a better tomorrow. In our studies and work we hope to prosper. In our every action and in our spirit we hope for better friendships. Even in our doubt there is hope; in that question everyone asks: What will the future bring for me? and in asking this question we hope for a bright tomorrow.



Greg Thompson welcomed students, new and old. As A.S.B. President, he introduced new faculty members and the principal, Mr. Burk.

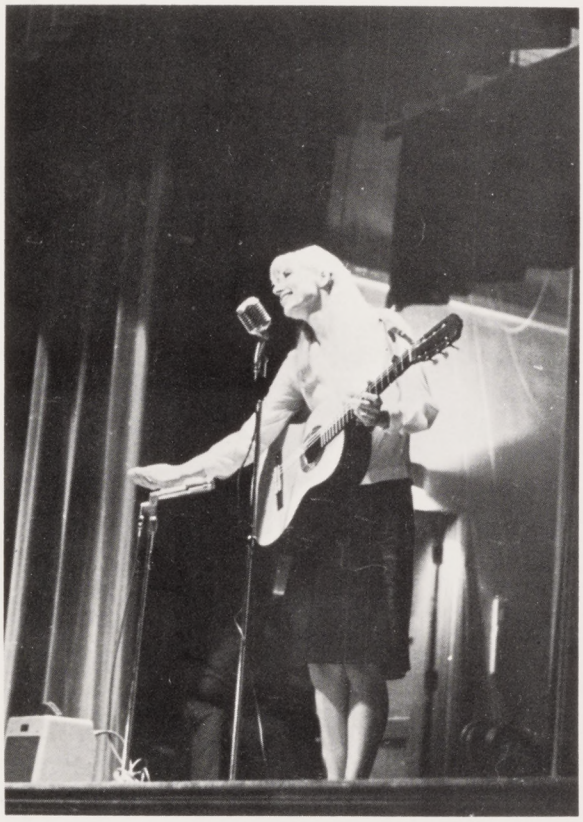
. . . . ORIENTATION

What are the "in crowd" wearing to school this year?

"Oh, I'd love to be an Oscar Meyer wiener, that is what I truly want to be."

"Fourscore and seven years ago . . . "

As the first bell of the new school year rang out students scramble in the halls, trying to find their classes.



Suzanne Hall, folk singer, won a standing ovation and captured the hearts of the students.

A representative from NASA spoke to the students on the Space Age.

Jo Crook addressed the Girls' League and welcomed all new girls, and introduced big sisters to little sisters.

SPORTS

FOOTBALL

The Broncos came in like a lion this season after tying San Jacinto 12-12, beating Acquinas 43-13, and then vanquishing the mighty Hemet 19-6. The first loss of the season came when they fell prey to the Cougars. Head coach Menzia and assistant coach Bethel were soon to whip the boys into shape for league play, however, and the team seemed to make a habit of ruining other schools' homecomings by beating them on the gridiron. The Broncos started out strong in league play, winning the first three games, but were slowed by Coachella and finally stopped dead by Yucaipa. Still, an overall 5 win—3 loss record isn't bad.

For the first time in two years, the homecoming game was not on a rainy, freezing night. The Wildcats seemed to be enjoying the weather so much that they forgot to score. The three Bronco touchdowns, all in the first half, were a combination of van Kirk's passing, Haworth's receiving, and fancy footwork by Rios, Geter, and Leary. The game ended with Banning fumbling on 29's one yard line.

" . . . faster than a speeding bullet, more powerful than a locomotive . . . " No, not superman, but Bronco halfback Curtis and fullback Rios, or so the Rajas must have thought. The Rajas, who seemed to have grown soft from a life of camel riding and date picking, probably would have been run deeper into the ground if it hadn't been for the 160 yards in penalties against Banning.

After a pleasant bus ride to Palm Springs, the Broncos were ready to make the Indians sorry that horses were ever brought to the North American continent. The good old Mickey Mouse came through, bringing Banning their first score in the first quarter and a halftime lead of 7-0. In the second half, the Broncos really got moving and scored in each quarter—both times by air-mail special delivery.

On the night of November 12, came the Broncos' eighth game and second loss. Coachella had possession of the ball for more than their share of the first half and I am sure this had something to do with the half-time score of 7-0, Coachella. When the Broncos got the ball in the second half, though, they didn't dilly dally. After scoring their first touchdown of the game, the Banning eleven was inches short for the extra point conversion. That didn't stop the Broncos—no sir. Going for broke with fourth and nine on their own 45 got them to the Arab 11 with one minute to go. When the next play failed, it meant defeat.

BANNING 18

YUCAIPA 40

And then there was the Yucaipa game. Remember how the T-Birds were leading by three touchdowns at halftime and nobody thought we had a chance in the world of catching them? Then in the second half we scored on a 35-yard pass from McCann to Haworth, followed by a 20-yard pass from Rubus to Geter which was good for another six points. And when the final buzzer sounded we discovered we'd been outscored by two points in the second half. So ends one more season of football. But what about those JV's who only lost one game this year? With many of those lads moving up to varsity next year, we can look forward to a promising season this coming fall.

Coach Dell Bethel

Basketball at Banning has seen better years. The Broncos seemed to get a slow start and were just getting into the winning track when the loss of a valuable player derailed them. As a matter of fact, the team experienced a few upsets and succeeded in capturing only 4th place in DVL.

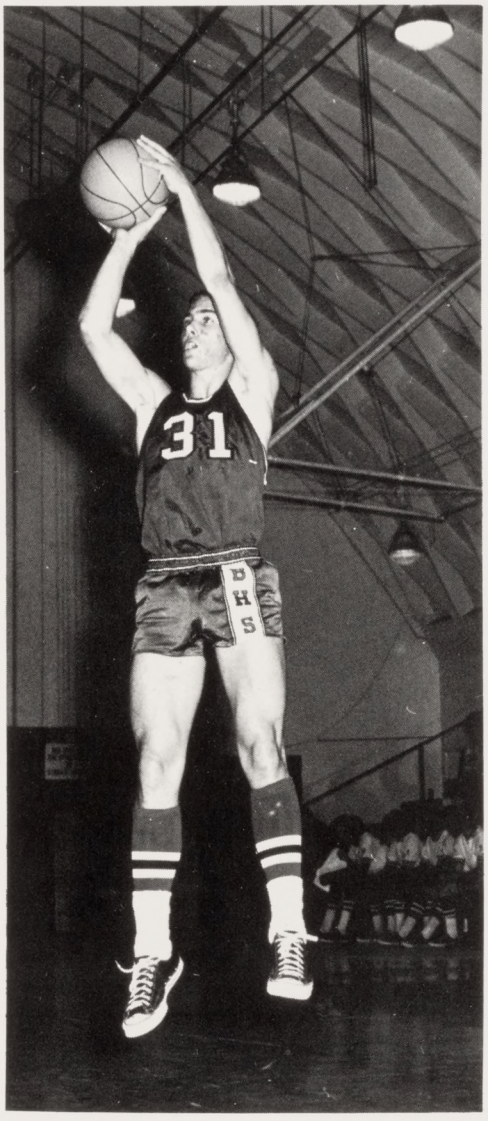
BASKETBALL IS EXCITEMENT

BASKETBALL IS ACTION



TRACK

There seem to be a lot of boys interested in track this year and the Bronco trotters, under the coaching of "the big man with the minor sports", Louis Robinson, are coming along quite nicely. Although it is a sport that requires a lot of training, there is very little glory to running around a dry, dusty track when no one is watching. I hope that these boys will have more support in the future.

Second Row: Wayne LaFon, Neal Leary, George Strange, Victor Romero, Wendell Leary, Jack Buchanan, Dennis Paupe, Sam Bullard, Jim Needler. Third Row: Coach Robinson, Jim Adams, Bill Starmer, Bill Brown, Joe Allen, Ron Holton, David Romberg, John Welty, George Rios, Tim Mills, Tom Atkins, Manager—Bruce Simpson

CROSS COUNTRY

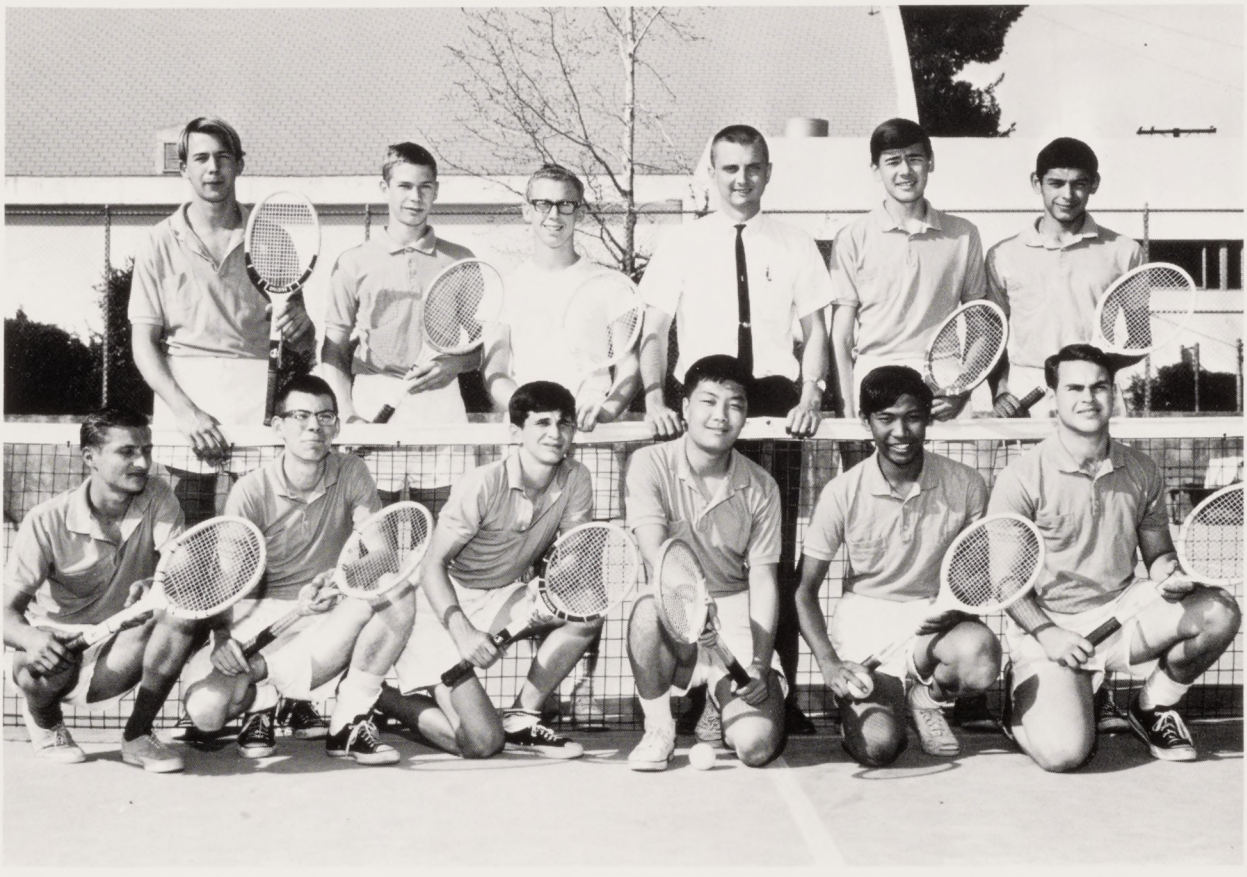
First Row: Claude Pelletier, Jim Needler, Richard Macias, Alfred McKee, Jack Higbee. Second Row: Coach Robinson, Bill Starmer, George Allen, Tim Mills.

If we could say that success is a measure of improvement over past performances, we could say that the cross country team had a successful season, with two of the Banning workhorses placing in the DVL finals. Cross country gives the athletes who care for football a sport to participate in during the fall.

TENNIS

To quote the coach of the tennis team, Mr. Rose, "We're building this year." You can draw your own conclusion as to what he means by this. There seem to be many sophomores coming to replace the ranks of the experienced seniors.

Kneeling: Harvey Marcell, Jack Higbee, Roger Pellitier, John Chin, Lee Sapaden, Jeff Kresner. Standing: Bob Higbee, Steve Barker, Tim Anderson, Mr. Rose—Coach, Steve Allmann, Richard Macias



BASEBALL

With Mr. Menzia coaching baseball for Mt. San Jacinto Junior College this year, that left the job of coaching our varsity squad to Mr. Heslop, who certainly more than proved his coaching abilities as football line-coach. After a second place in DVL last year and in view of the returning lettermen this year, things look promising—very promising.

Coach Heslop

Standing: Coach Heslop, Ferris Geter, Dick Rutherford, Brian Romberg, Ernie Flores, Marty Ortega, Jim Hallman, Ken Irwin. Kneeling: Joe Balderas, Edward Laura, David Gobel, Donald Lyons, Gary Gray, Bobby Henderson, Pat McCann

J.V. SPORTS

FOOTBALL

It can be said that the JV football squad had a very successful season this year. After losing their first game and fighting their second to a scoreless tie, the junior broncos went on to six straight wins and a first place rating in DVL. This seems to be a good omen as far as next year's varsity is concerned.

First Row: Charles Angelis, Gary Navin, Marvin Davis, David Romberg, Gilbert Mendoza, Alonzo Brown, Tim McCann, John Welty, Lonnie Ross, John Marcus. Second Row: George Constantino, Wayne Phillips, Harry Sullivan, Scott Morris, Ken Kessler, Ken Britton, Jack Buchanan, Steve Swendler, Burton King, John Linn—Manager. Third Row: Sam Bullard, Frank Ortega, Tom Atkins, Ernest King, Unknown, Steve Lewis, Dennis Paupe, Bob Miller, and last but not least—Coach Tom Belzer.

Here's a record they can be proud of:

Banning	0	San Jacinto	14
Banning	0	Hemet	0
Banning	25	Beaumont	6
Banning	33	29 Palms	0
Banning	20	Indio	13
Banning	26	Palm Springs	0
Banning	13	Coachella	6
Banning	25	Yucaipa	0

BASKETBALL

Standing: Tim McCann, Mike White, Kenneth Husby, Ron Holton, John Welty, David Romberg, Jeff Kresner.
Kneeling: Sam Bullard—Manager, and Coach St. Marie.

The JV's looked really promising this year and fared slightly better than the varsity. Mr. St. Marie seemed to do a fine job in his first year as a high school athletics coach, working with a team that even beat the Redlands JV squad. These boys usually put on a good show, as you probably noticed if you ever happened to get to the gym before the varsity game started.

BASEBALL

Standing: Steve Lewis, Kenneth Husby, Larry Becerra, Alonzo Brown, Marvin Davis, Carl Loche, John Lario, Burton King. Kneeling: Frank Ortega, Gary Navin, Chris Carper, John Marcus, and Coach Bethel.

With just the right mixture of juniors and sophomores, and the strong, steady coaching of Mr. Bethel, the JV's can look forward to another great season.

For the first time in the history of Banning High School, the Journalism Staff is running its own edition in the downtown paper, the Record-Gazette. The Banning downtown paper now runs its issue on a "paste-up" instead of the old, less-effective "hot lead." The Journalism Staff writes their stories, types them and then sends them down to the Record-Gazette. There, they are typed for "column" use. The students of the newspaper staff then paste-up their own edition; pictures, stories, and fillers. Their paper comes out on a bi-weekly edition. The BHS Journalism staff also puts out a mimeographed issue bi-weekly for the entire student body. Each week, page editors are assigned and are in charge of getting out their own page on time. On the day that the page comes out, the entire staff staples it together. Each semester a different set of reporters are assigned to the opposite issue they have previously been working on. This gives the staff an opportunity to work with both sets of issues. We, the co-editors, along with our advisor, Mrs. Ruth Varney and all the reporters would like to thank students, teachers and parents for their co-operation.

This year the majority of the San Gorgonian's photographs are the superb products of McCulloh Studio. Mr. McCulloh has donated his valuable time and costly materials to enable the San Gorgonian staff to compile the 1966 annual. As in the past years, the staff has been fortunate to have the patience of Mr. McCulloh in our times of nearing deadlines; in a matter of two or three hours he has been able to take the photographs, develope the film, and print the pictures. Once again, Mr. McCulloh, we thank you.
